

CRUISE WITH US

Ship 110's program continues year around with cruises in all four seasons. In addition to the 78' motor vessel Charles N. Curtis, our program provides a diversity of experiences ranging from kayaks, small sail boats, skiffs, dories and a 26' motor life boat.

During the summer we have multiple one week cruises in the San Juan, Gulf Islands and through the Straits of Georgia and Juan De Fuca. During the winter months we cruise Puget Sound, the many Ports while looking for foul weather and some excitement.

Puget Sound provides a wide variety of experiences in shelter waters and dozens of interesting Ports each with their individual character.

Boy Scout Troops are welcome to join us each summer on 6 day cruises in the San Juan Islands. We leave Anacortes on Sunday afternoon and return the following Saturday. We use the San Juan Islands as a training area because of its diversity of experiences. A normal day includes a few hours of running from one harbor to another followed by exploring an island. We carry 8 kayaks on board and two motor skiffs. We blend the cruise with visits to secluded Islands followed by small towns or resorts. The cruise is tailored to the objective of the unit, such as advancement or just experiencing the San Juan's.

Cub Scout Packs and their families will join us during summer evenings for harbor tours of Commencement Bay.

Groups are welcome on board for an evening cruise in Commencement Bay, the Tacoma Narrows, Quartermaster Harbor or Gig Harbor.
